Hello Campers, Parents & Guardians,

Welcome to Camp! My Name is Karen Scarpinato this will be my 3rd year as a camp Director for OSB- Outdoor Summer Bonanza. I also work as a Supervisor at the Teen Center during the school year.

Born and raised in Vermont where I got my education, youngest of eight children, grew up in the city and spent most of my spare time outside fishing, camping, hunting . I grew up with such a big family with lots of relatives, summer picnics and family gatherings, much of the time in charge of the younger children with the guidance of the "older" siblings. My love to work with children began to grow! I worked in a private daycare most of which were children with special needs and also worked in Nutrition as a Manager for 20 years, for the past 8 years I worked in the Health Care Field.

I 'm a native Vermonter, recently moved to Texas where I enjoyed working at the area elementary school there. I being a "true" Yankee, the experience in Texas was great and I learned a lot of new things there about life, and myself and much, much more. Seven years later it was time to come "home". I'm married and live in Biddeford with my husband, where I enjoy time with my beautiful granddaughter, my daughter and her husband. In my spare time I take monthly trips to see my oldest son & daughter in Law and my grandson. I'm counting down the months to July when my youngest son will be coming back home to VT from Texas.

I look forward to welcome back all my campers for years past and meeting many new faces.

Sincerely,

Karen Scarpinato
OSB~ Outdoor Summer Bonanza Camp Director
